ABOUT US

G.K Nahashon & Company is a rapidly growing medium-sized professional service firm based in Rosslyn Estate, Limuru Road. The firm is licensed by the Institute of Certified Public Accountants of Kenya, and holds all the relevant practicing certificates in Kenya.

We provide a wide range of professional and business consultancy services including Audit & Assurance, Tax consultancy, Outsourced Accounting services, Financial & Business consulting, Company secretarial, Corporate governance, Corporate training, and other business consultancy-related services.

We are committed to providing our clients with high quality services that are well adapted to their requirements and needs. We become a part of your business, working tirelessly to help you achieve your business objectives, mission and vision.

OUR MISSION

Our mission is to deliver excellent business advisory services that economically empower businesses, investors, stakeholders, and communities, and contribute to the creation of sustainable wealth, while leading the way in compliant, diligent, and ethical commercial practice.

VISION STATEMENT

Our vision is to be a local firm that grows to be internationally recognized with branches all over the world.

CORE VALUES

Understanding

Our strategy is founded, significantly, upon our understanding of the needs of our clients. Our clients are our biggest asset. We care to know how we and our products fit into our client's goals to help them reach the best outcome. We care to know our clients' expectations and stay with them as these expectations grow.

Professionalism

In all interactions and undertakings with our clients, we maintain high professionalism. Our staff always display a helpful attitude, and strongly respect and listen to our client's concerns.

Excellence

Our goal with every client is to leave them in a better business position than we found them. We endeavor to provide effective customized solutions. We deploy a team approach in all assignments. This way, diversified skills, and expertise go into filling the gaps between what our client has expressed as their need and the issues they might not have thought of.

Commitment

We are absolutely committed to our clients. Once we start an engagement with a client, we mobilize all our resources and experience to deliver. We respond quickly and are efficient in providing solutions.

Independence

We are fully informed about the expected standards of independence expected of us. We insist that all our staff be independent, both in fact and appearance, of our clients' entities. We hold ourselves to provide prudence-oriented services at all times.

OUR PURPOSE

To be the backbone of success for businesses, providing innovative, realistic & effective solutions.

GOALS & OBJECTIVES

To exemplarily serve our clients, providing innovative solutions that foster sustainable growth.

To promote professionalism, providing unprecedented career experience to talented professionals.

FIRM'S PHILOSOPHY

We don't just work, we serve. We don't pride ourselves in writing management reports; we hold our clients' hands in promoting an environment of strong internal control systems. Our services entail giving honest opinions to clients and helping them reach their desired levels of efficiency.

We don't work for money but we create valuable relationships with clients. We are not short-term, but long-term.

ACCREDITATIONS

We have licenses and certificates of approval from the following Regulatory Authorities:

The Institute of Certified Public Accountants of Kenya.

The Sacco Societies Regulatory Authority.
